

To: IPCA President, Svetlana Gerasimova
Cc: IWAS Games & HQ

Dear Mrs. Gerasimova,

The International Wheelchair & Amputee Sports Federation (IWAS) have awarded the IWAS World Games 2022 to the city of Sochi, Russia. The Games, which will host a wide and varied programme of sports and disciplines for athletes with physical impairments, will be held from 2-9 October 2022 for the second time in the city.

The Local Organizing Committee and with the approval of the IWAS Executive Board would like to invite your organisation to host a chess competition as part of the 2022 Games sports programme.

We look forward to working with you and your team towards a successful debut appearance of chess at the IWAS World Games.

Kind Regards

Rudi van den Abbeele
IWAS President
