The IPCA team participated in the Confederations Cup in Ankara (Turkey, 2019) and took 1st place.

3.4. These 4 years of my presidency were difficult, as the Covid pandemic began in 2020. It was possible to hold chess tournaments online. 120 people participated in 1 online World Championship. 4. There was an active discussion on the issue of the election of the President of the IPCA.

4.1. Svetlana Gerasimova proposed to re-elect herself for a second term. Zbigniew Pylimon proposed to nominate Andrei Gurbanov. Because it solves a lot of problems due to the political situation. The world protests against Russia's military aggression in Ukraine. Serious sanctions apply. Further, it will be difficult to attract funding and hold tournaments if Svetlana Gerasimova is re-elected as IPCA President. Zbigniew Pilimon proposed to elect S. Gerasimova as the 1st vice-president of IPCA.

4.2. Svetlana Gerasimova emphasized in her program that the most important thing is to achieve the inclusion of such a discipline as chess in the program of the Paralympic Games. IPCA Presidential Candidate Andrei Gurbanov in his program focused on the development of children's chess and the expansion of the geography of IPCA tournaments. A. Gurbanov proposes a new interesting project: Integration Tournaments. The point is that Andrei wants people with disabilities to participate in many tournaments on preferential terms, with other funding. In turn, A. Gurbanov will be able to attract sponsorship money for the development of our organization. **4.3.** Svetlana Gerasimova proposed the composition of the Presidential Council: 1) Gerasimova Svetlana - President of IPCA,

"Good afternoon, Madam President!

We are outraged that despite the ban of the Federation, the athlete Igor Yarmonov takes part in the World Cup. I draw your attention to the fact that he does not represent our state, Ukraine, at this competition, but simply performs individually. I ask you to remove the flag of our state in front of the name of Ihor Yarmonov. I inform you that the athlete Yarmonov Igor violated the terms of the contract. Hope for understanding. sincerely yours,

Liubov Zhyltsova

President of Sport Federation of Blind of Ukraine»

The first to take the floor was Stanislav Mikheev (Serbia), who asked for clarification: this letter was sent on an official letterhead, with an outgoing number, and signed by which official Ukrainian official? And he said that this letter is unofficial. Zbigniew Pylimon spoke and stressed: Igor Yarmonov has the title of Honored Master of Sports of Ukraine, has been participating in the IPCA Championships since 2002, and as a FIDE member has the right to represent his country.

4.4. Secretary of the Congress Galyna Gurina (Ukraine) proposed to proceed directly to voting. Svetlana Gerasimova took the floor and said: In order for representatives of countries to vote in elections, it is necessary to have permission from the Chess Federation of their country that an athlete has the right to represent his country. And she cited the case with Yarmonov as an example, that he does not have the right to vote from Ukraine. This caused general indignation among those present.

Andrey Gurbanov spoke: The permission of the Federation to vote of its representative can be obtained. But why does S. Gerasimova announce this only now?

A discussion broke out, after which Zbigniew Pylimon took the floor. He stressed that the Charter of our organization (IPCA) does not mention this. He was supported by Galina Gurina and said that in 2019 we all filled out the Declaration of Individual Membership in IPCA. Each member of the organization is obliged to comply with the Charter.

At the end we moved on to voting. For the candidacy of Andrey Gurbanov, 7 people voted in favor, 0 against, 2 abstained. As a result: a new President of the IPCA organization was elected for the period 2022-2026. Andrey Gurbanov (Israel). Svetlana Gerasimova (Russia) - 1st Vice President of IPCA.
